

## Ashley Park House

### **Babysitters**

We find it works very well for parents to book a babysitter who can stay on site with small children during the wedding and into the evening.

Please contact them directly to arrange payment and timing.

We would recommend:

1. Kelly 085 715 3434 (text or call)

Children are to be supervised by an adult at all times whilst at Ashley Park House please.
