Aidan Claffey Bus Hire is a one stop shop for all your wedding needs. We have available for our clients 16, 18 and 22 seater buses which are available for pre wedding nights out and accommodation transfers, airport transfers, wedding day and late night services.

- **Wedding Night cost €360 - 11.30pm to 3.15am.**
- **Short durations €100 per hour.**

On your wedding night our service begins at 11.30pm and the last bus is at 3.15am. One to two buses can be organised depending on needs. The transport on the night of your wedding covers a radius of 12km and any other transport outside of this radius requires an alternative arrangement with us. It is very important that all off site accommodation is as near as possible to Ashley Park House as this ensures the efficient running of the service for your guests. Please see the list of local accommodation which Ashley Park House provides.

I am a local Bus Hire operator and I have been the resident taxi for Ashley Park House for the last 6 years and it is hugely important to me and Ashley Park House that we provide a pristine service to everyone involved. A note worth mentioning is that it is very important to book well in advance as I cannot always ensure availability. Make your day a day to remember at Ashley Park House.
