Sax Appeal - www.saxappeal.ie

BBQ or Pre-wedding Dinner Entertainment:

For a BBQ we require acoustic music with no form of amplification outside (this is not applied for music indoors). **Outdoor music must be acoustic only** (e.g. guitar only, no speakers). We would recommend starting the music around 9:30pm (from May to August), 8pm (September) and 7:30pm (from October to April) for within the pavilion or main house. However, you are welcome to use our large Spotify Bluetooth speaker outside through the day.

Wedding Ceremony & Reception Music:

For ceremony music in the Boathouse and the drinks reception we recommend acoustic musicians such as a harpist/guitarist/cellist etc. The acoustics are very good but your celebrant or musicians may bring a small speaker/microphone if they wish. **We don't allow DJ's, DJ & Saxophone Duo's, drum shows and electronic music to be played outside.**
